

Fall 2009

Home Delivery

Delivery of product goes to the student – not the school.

Home delivery is a pre-pay program.

We'll deliver the student order to their home via UPS or USPS.

Students will deliver to their customers.

Pricing includes “Parent Hotline” number for direct contact with supplier.

Student packed with all the computerized paperwork

No shipping charges.

All the chairperson does is count the money and make sure we have the student's name and address on the order forms(s)!
